Commissioner for Patents

Sir:

Applicants hereby Petition under Rules 1.313 and 1.181 and 1.183 to withdraw the subject application from issuance so that the following amendment can be entered belatedly under Rule 312. The issue fee was submitted May 24, 2004, but the filing date accorded to the application was changed, by grant of a petition, on June 7, 2004, subsequent to the payment of the issue fee. The grant of that petition now enables applicants to claim the benefit of their Provisional Application and to amend the specification to present that claim for benefit, which they request by this Petition and Amendment.

Please charge our Deposit Account No. 19-0733 for any fees necessary for entry and consideration of this petition and amendment.

Amendments to the Specification begin on page 2 of this paper.

Remarks supporting the petition and amendment begin on page 3 of this paper.
